JEWES NOT SURPRISED AS THEY ARE BANNED

(Continued from Second Front)

Point of which Capt. H. Wallace is secretary, admits no Jews to membership. "This is a strictly private club," an official said. "We have control over the membership." He said this was done without recourse to signs limiting the club to Gentile patronage.

FEELS IT KEENLY

J. O. Goodman, president of the Toronto Rugby Union, stressed that he was speaking as a private citizen when he said: "The discrimination shown by the St. Andrew's club is felt keenly by me. I am a Canadian citizen, born and brought up in this country. I have often, in the past, played at St. Andrew's."

REGULAR POLE TRIPS SEEN IN TWO YEARS

The Briars Golf club at Jackson's Georgi Babukoff and Navigator Alexander Belakoff opened the Arctic, will be dismantled at Vancouver and shipped to Russia.

WATER FROZE, SUCKED ICE

"First," he related, "we foresaw almost all the things we might encounter at the pole, and were prepared for them. Scientists told us we would encounter no clouds over the top of the earth at 3,000 metres, but we went as high as 6,000 metres (about four miles) over the geographical pole and saw many clouds."

USE SUN COMPASS SUCCESSFULLY

"Lack of oxygen in the higher altitudes was our chief hardship. I had to bear the condition, however, because we were afraid to fly lower. The sphere of the magnetic pole caused certain deviations in our instruments. We corrected this and figured our calculations accordingly. We used the sun compass virtually all the way and it worked very well."

LIVE, FLY TOGETHER

Frank Stector and Anita Whitney, ranking officers of the Communist party in California, were among the welcoming throng at Oakland airport. One banner proclaimed: "The California state Communist party welcomes the heroic Soviet fliers in their outstanding achievement of socialism."

track's. Saw Fred Orpen off in one corner trying to figure out just how it happens that at Woodbine and Thorncliffe he can catch winners with a clocklike regularity but on his home courses, Long Branch and Dufferin, he just can't click at all. Before race time yesterday Frank Higgins thought he was about to score a triple with Bob's First, Bosobel and Deedie, but the only one of the trio he managed to get down was Bosobel. Not suffice with a big double on Saturday—\$261—the boys, a few of them, caught another yesterday. Ardawn and Little Sargent paying \$326.90 to 23 lucky \$2 subscribers.

PRINCE MCGEE PROVIDED THE THRILL

of the meeting when he pounded home a winner on the strength of a marvellous stretch drive to nip Primbud in a photo finish and pay off at \$149.10. A new jockey joined those who now on hand at Dufferin. The lad's name is Alfred Nash and he rode Barter yesterday for P. S. Price. Born and educated in the old country, the lad boasts the record of being leading rider at the South Kenner track in New Orleans last year. Down around Montreal they are parading some rare old pelts for the public's edification and backing, 250 of them in all. The Hamilton Jockey club comes forth with the announcement to-day that when the meeting opens next Saturday and runs seven days, all the moneys accounted for in the condition book will be distributed among horsemen. If some of the \$700 and \$800 races fail to fill, they will add the money to the cheaper \$600 events where possible. This is taking a leaf out of the Orpen book, but a meritorious move nevertheless.

SPEAKING OF HAMILTON

Nipper Rowe, I.C.R.A. starter, is up in the mountain town schooling a few of the horses on hand. The Clark gate has also been shipped up there and will be used during the meeting. If you are interested in the dates of Quebec tracks you'll find Mount Royal open July 10 to 26; Connaught Park, Aug. 2 to 17 and Dorval, Aug. 21 to Sept. 6. They continue to say that R. S. McLaughlin is anything but satisfied with the showing of his charges to date, and this has again given rise to the rumor there may be a shake-up in the show ranks. Incidentally the McLaughlin thoroughbreds are to campaign at Fort Erie. Harry Giddings has requested 15 stalls at the Borden plant. The Cosgrave, Erindale, Webster, Badame and Medway horses are also shipping there for the meeting which opens July 3. Eatling Girl is no longer the property of Jimmy Cosgrave. The Four L's stable claimed her out of the last race on Saturday for \$1,500.

THAT WAS A FINE COLLECTION

of old timers the boys had to sort out in the sixth race on Monday. Fashioned for three-year-olds and upward, the heat drew out the ten-year-old Fort Dearborn, the seven-year-old Popo, and eight-year-old Locara in addition to the four-year-olds Ceallaigh, Lady Challenge and High Bid. The other horse in the race was Grand View at five. And contradicting the oft repeated phrase that youth must be served old Fort Dearborn came home the winner with Stormer on his tail and Popo was third. Locara was fourth with the younger element bringing up the rear.

TORONTOIANS WILL RECEIVE THE WORD OF JOHNNY CONVEY'S SUCCESSFUL

sad comeback with satisfaction. The veteran who has ridden the past ten years, but who has been out of action for three, rode the first winners at Blue Bonnets on Monday. He was formerly in the employ of Frank Gilpin.

WHO SHOULD STARE IF SHRINERS ABOUT?

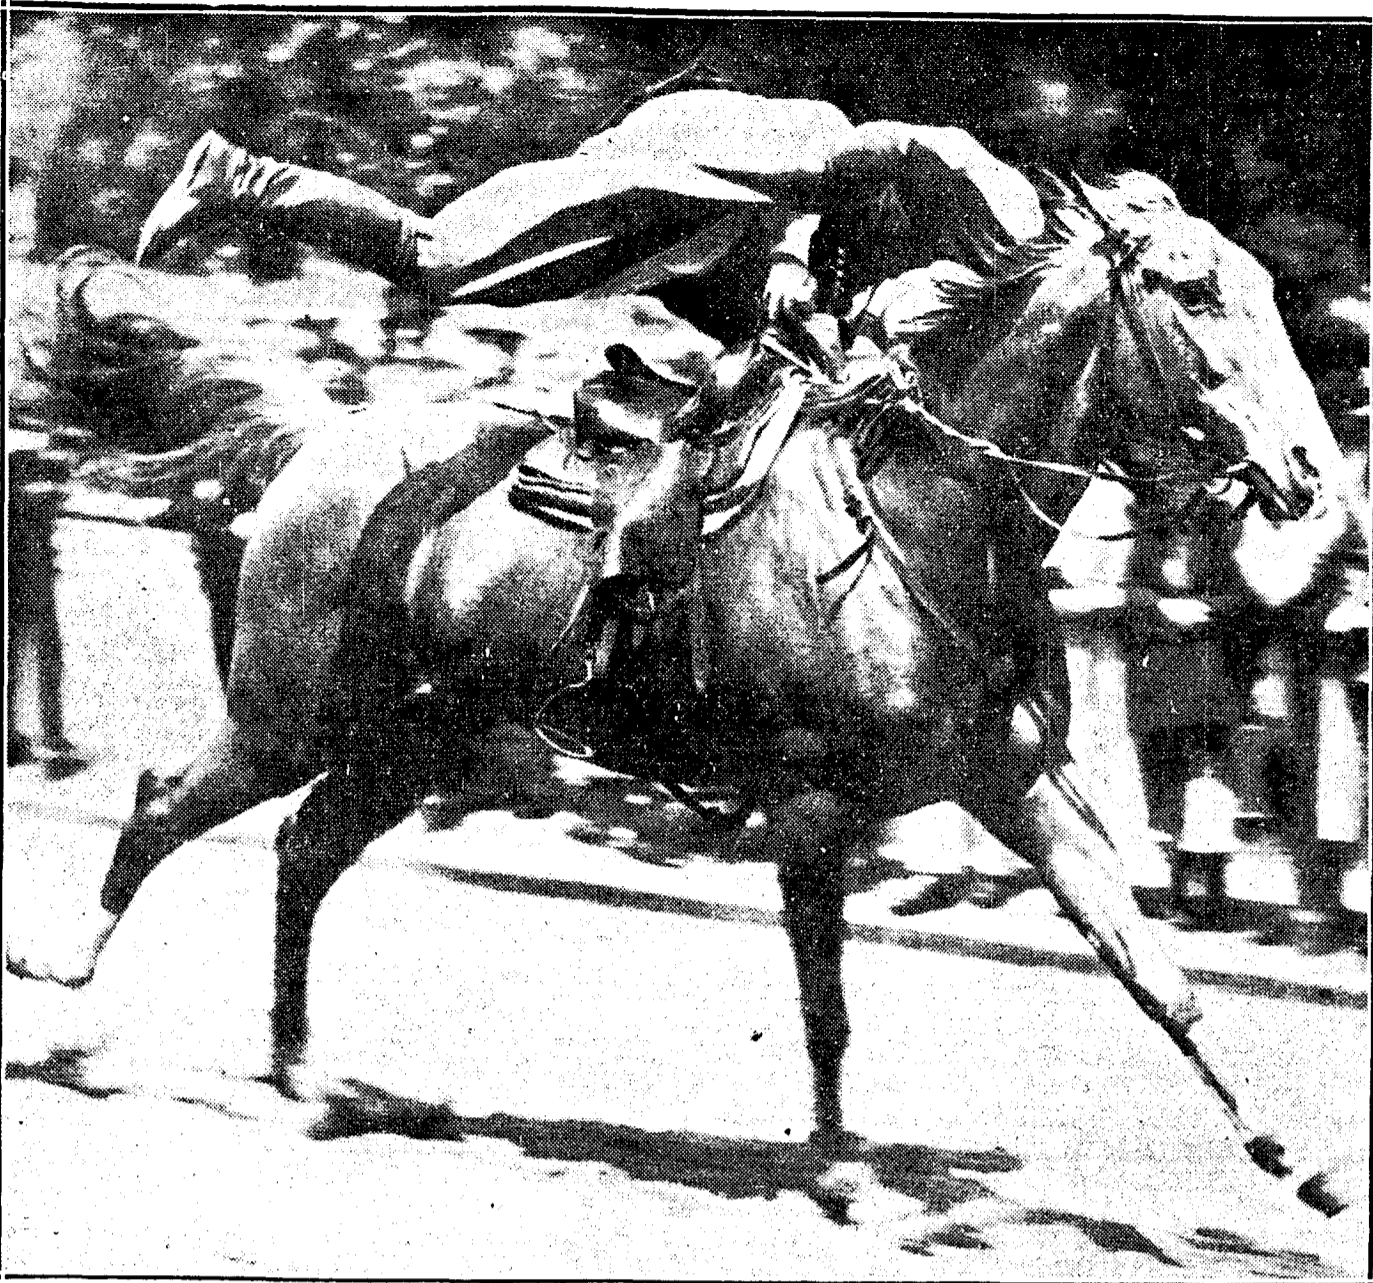

Detroit, Mich., June 22.—Mrs. Narcott Lalbhai, Hindoo wife of a Hindoo merchant prince visiting here, wondered today who ought to be staring at whom. "I walk the streets in the native dress to which I am accustomed," she said, "and people dressed in the weirdest garb I have ever seen anywhere, turn around and stare at me."

Why Use A "Sissy" Laxative?
Chronic constipation has to do with the colon or large intestine. Unless the large bowel is thoroughly emptied from time to time you become a victim of chronic constipation and poisoning of the system which results in colitis or other serious diseases. Mild or "sissy" laxatives merely cause a movement of the bowels without effecting a thorough clearing out of the colon or large bowel. For this reason you are misled into thinking that you are doing all you can to overcome a constipated and poisoned condition of the system. Those who know Dr. Chase's Kidney-Liver Pills appreciate the value of a real medicine which not only effects a thorough cleansing of the colon or large bowel but also arouses the liver and kidneys to activity in filtering poisons from the blood. Once you have proven the merits of Dr. Chase's Kidney-Liver Pills you will never return to the use of "sissy" laxatives. Used regularly once a week this medicine ensures pure blood and freedom from constipation and the pains, aches and serious diseases which accompany it.
